Verified as not legally streamable anywhere. Do not seek out unauthorized copies of these: *Manila by Night / City After Dark*, *Tinimbang Ka Ngunit Kulang*, *Batch '81*, *Itim*, *Sister Stella L*, *Insiang* and *Maynila sa mga Kuko ng Liwanag* stream legally only through the US Criterion Channel, not inside the Philippines. The canon is more available to Americans than to Filipinos, and that is a checkable claim.
